Weekly activities summary - 30 Nov 1959

COR/ARG projects were quiet, except for arrangements for the December Conference in Washington on 30 Nov/1 Dec. We are experiencing an increase in clearance rqmts in this program, approximate ly one hundred at Fairchild and fifty at GE.

OPS Branch DPD computed new camera "on" and "off" points for the proposed 20 November firing. of CORONA.

New sig center at Lockheed opened 13 November 1959. Action also taken to open new SigCenters at Fairchild Camera & Instrument Co., Long Island.

Approved For Release 2005/04/22 : CIA-RDP85B00803R000100030044-3
